

Tohi London Dry Gin

Ginger & Sichuan Pepper

The story of Tohi Distillery was born of love and its next chapter is rather spicy. And that's what exactly the TOHI London Dry gin is. We distilled as many as 13 different natural spices from around the wide world in a copper pot still, mixed them with Estonian organic rye spirit and the result is a passionate fusion of lush ginger and hot pepper. Tohi London Dry Gin is a genuine craft gin made with love and full of heart.

COLOUR

Clear and transparent.

AROMA

A spicy bouquet with notes of juniper berries, black pepper, exotic star anise, licorice, hints of cinnamon and the warmth of cardamom.

FLAVOUR

A dry gin with an exuberant and strong character. The sensation on the tongue is as if the Orient Express train is rushing through the spice gardens: mellow cinnamon, fiery cardamom, soft juniper, and a touch of licorice. The aftertaste is long where one may sense ginger, coriander, the freshness of lemon, sharpness of pepper and cozy spices. The flavour does not keep on burning the tongue, but instead transforms into a soft and silky sensation, gently tingling the mouth.

SERVING

Take a *copa* glass, fill it with ice. Then pour 4 cl of Tohi London Dry gin and add 20 cl of high-quality tonic water. Enhance your cocktail with a slice of orange or lemon. If you wish for a slightly drier cocktail, use aromatic oils squeezed from a citrus peel instead. Let the trip to in the first class of the Orient Express begin!

TOHI DISTILLERY

We prepare Tohi gin in the old vodka kitchen of Tohisoo manor, the history of which dates to the 19th century. Although no alcohol has been distilled here for decades, handbags have been manufactured - the leather factory Linda made gloves and bags until the 90's. But that was only until 2018, when the sleeping beauty was discovered by the Tohi gin enthusiasts, who finally kissed the bride - to become a genuine distillery instead. Copper pot stills and much more necessary were moved in to make high-quality gin, filled with love!

Tohi Distillery is an open house - you are welcome to visit, get acquainted with the making of gin, to sample or to organize your own event in one of the spacious event rooms.

- Alcohol volume: 43% vol
- Size: 500 ml glass bottle
- Packaging: 6 x 500 ml cardboard box / 84 cases per pallet

Attention! The abuse of alcoholic beverages can damage your health.
